LITTLE LEAGUE TEAM TENNIS

at Newton South • Ages 7-10

• Saturdays 1:00 pm • Starts Sept. 10 • Cost: \$137

Tennis Fun! • Team Fun! • Learn as you play!

First we break kids into teams. You may request placement on team with friend(s). We will do our best to make this placement (*Can't Guarantee*). Each week starts with approximately 20-30 minutes of instruction on fundamentals. Then your team plays two short matches, each against a different team. Special match rules encourage good technique and sportsmanship. Competition is low key. Your kids will love it!

(See [Saturday schedule previous page](#))

Our Mission

To bring you top quality tennis instruction, right here in your public parks, at reasonable rates.

* INTERMEDIATE DRILL and MATCH *at Newton South • Ages 11-High School*

• Saturdays 2:00 pm • Starts Sept. 10 • Cost: \$121

Fun! • Great Practice!

We start each week with 20 minutes of hitting practice. Then we set you up to play opponents. Each player is reminded of a few things to work on as they play. Above all, we teach each player to play their best by focusing on the number one tennis strategy: *keep the ball in play*. For players who have some basic skills. Excellent supplement for players already enrolled in clinic.

(See [Saturday schedule previous page](#))

* ADVANCED DRILL and MATCH *at Newton South • Ages 11-High School*

• Saturdays 3:15 pm • Starts Sept. 10 • Cost: \$140

Faster paced version of Drill and Match (above). Great for players who are on or are gearing up to try out for HS tennis. Excellent supplement to the Junior Tournament Players Clinic.

(See [Saturday schedule previous page](#))

* *In Drill and Match and Middle School Team the emphasis is on playing. There is less instruction than in the clinic and the student teacher ratio varies.*

Our Teaching Philosophy

Learn, Laugh, Run and Play the game. We love tennis and we hope you'll have a great time working with us. While we spend lots of time on the fundamentals, we use a variety of drills and teaching games to make your lessons fun and challenging.

We strive to be simple, clear and positive, with the belief that building skills goes hand-in-hand with building self-esteem and self-confidence.
